

## WATER QUALITY: BEAUFORT WEST AND SURROUNDING

The water quality of Beaufort West, Nelspoort, Merweville and Murraysburg is tested according to the requirements of the Department of Water and Sanitation.

Some of the samples are taken daily, other weekly or fortnightly. The results are submitted to the Blue Drop System of DWS.

Water samples are also taken monthly for microbiological testing for E. coli and Total Coliforms at an accredited laboratory.

The test results for **July and August 2017** for the four towns are as follows:

 Type of tests	Sites	Samples taken	Analyses	% Compliance	Sites	Samples taken	Analyses	% Compliance	% Compliance last 12 months
