

EXPRESSION OF INTEREST

PREPAID ELECTRICITY VENDING

Applications are invited from shops/garages/retail outlets to sell prepaid electricity for Beaufort West, Merweville, Nelspoort, Murraysburg and surrounding areas on behalf of Contour Technology (Pty) Ltd as the new service provider to Beaufort West Municipality.

EXISTING MACHINES WILL NOT BE ABLE TO SELL PREPAID ELECTRICITY

Applications must include the following:

- (i) trading hours with details for each day of the week and for public holidays
- (ii) any security arrangements that exist for the machine
- (iii) the financial ability to purchase electricity upfront
- (iv) the availability of suitable staff to operate a hand-held machine and handle cash

Operational procedures, holding deposits and the commission for rendering the service will be discussed with short-listed applicants. Submission of applications from persons or businesses who are in arrears with rates and service charges with Beaufort West Municipality will **NOT** be considered.

Application forms are available immediately on request. Interested applicants can send their email address via **WhatsApp** to 0836790037. The application forms can also be obtained in the following ways - **Monday to Friday** between 08h00 to 16h30:
