MOTIVATION REPORT

APPLICATION FOR LAND USE CHANGE ON PORTIONS OF AGRICULTURAL LAND FOR THE DEVELOPMENT OF THE 420MW HOOGLAND 4 WINDFARM: DIVISION BEAUFORT WEST

Your email of 30 March 2023 has reference.

Index Social Consulting Services have been appointed to submit a motivation report for the application for land use change of 112.9ha in extent for the development of the Hoogland 4 Wind farm facility which will be located across multiple farm portions.

The Western Cape Department of Agriculture: Land Use Management retracts the previous letter dated 28 March 2023 and provides the following:

- The WCDoA: LUM has no objections towards the motivation report. In order to protect the farm owners' rights to farm, only the required development footprint must be put under a long term lease agreement.

Please note:

- Kindly quote the above-mentioned reference number in any future correspondence in respect of the application.

- The Department reserves the right to revise initial comments and request further information based on the information received.

Yours sincerely

Mr. CJ van der Walt
