AMENDMENT: APPLICATION FOR PROPOSED CONSENT USE, SUBDIVISION AND PERMANENT DEPARTURES ON THE FARM LEEUW KLOOF NO. 43 AND PORTION 4 OF THE FARM DUIKER KRANSE NO. 45, BEAUFORT WEST: MURA 1 SOLAR PV FACILITY

This letter serves as an amendment to the final approval dated 03 July 2024 of the above-mentioned application.

In terms of Section 63(1) of the Land Use Planning Bylaw 2019, the Municipality may at any time correct an error in the wording of its decision.

It came to the attention of the Authorized Official that the Final Approval of the above-mentioned application incorrectly referred to one of the farms as Leeuwen Kloof No.43 and not Leeuw Kloof No.43 as per the application and the cadastral diagram.

In terms of Delegation WW.1.88, to reflect the accurate wording presented in the record of the application, all reference to the farm Leeuwen Kloof No 43 indicated in my approval dated 3 July 2024 and the letter of decision dated 19 July 2024 is hereby replaced to refer to the farm Leeuw Kloof No 43.

Reason for amendment:

- The application does not contain any reference to the farm Leeuwen Kloof No. 43
- No appeals were received on the application
- Does not have material effect on any party
- Does not prejudice any party

Yours faithfully.
