The following information is included in Beaufort West Municipality's 2014/2015 Water Services Audit Report:

- The Municipality's performance with regard to DWS's Blue and Green Drop assessments.
- DWS's scorecard for assessing the potential for WC/WDM efforts in the Municipality.
- Information to be included in a Water Services Audit as stipulated under Section 9 of the Water Services Act, "Guidelines for Compulsory National Standards" and also required by DWS's 2014 WSDP and Water Services Audit Report guidelines.

Yours faithfully
